

REMOTE AREA MEDICAL [RAM®] CLINIC – NORTHERN VIRGINIA

HOSTED BY HUMANITY FIRST USA

APRIL 2026

SPONSORSHIP OPPORTUNITIES

Humanity First USA

HFUSA is a distinguished disaster relief and human development organization dedicated to safeguarding human life and human dignity. We serve humanity through seven global programs – Disaster Relief, Knowledge for Life, Food Security, Orphan Care, Water for Life, Global Health, and Gift of Sight. We have served as the United States member of the 65-country Humanity First consortium since 2004. HFUSA taps into a network of passionate volunteers in over 50 cities and regions of the United States.

Remote Area Medical

Since 1985, Remote Area Medical (RAM®) has provided free healthcare services to those in need through the operation of mobile pop-up clinics around the country. RAM's free clinics deliver quality services to underserved and uninsured individuals who do not have access to or cannot afford a doctor. Today, more than 1,000,000 individuals have received this free care.

Thank you very much for choosing to safeguard human life and dignity. We look forward to your sponsorship selection and answering any questions that you may have.

REMOTE AREA MEDICAL VOLUNTEER CORPS ® RAM

Serving Mankind

Dear Friend of Humanity First,

A healthy, thriving community depends on partners who recognize that access to healthcare should never be a privilege. That's why I'm reaching out on behalf of Humanity First USA, a nonprofit organization committed to serving communities through humanitarian relief and essential services.

We are inviting a select group of community partners to sponsor the Remote Area Medical (RAM®) Clinic taking place April 18–19, 2026 in Chantilly, Virginia. Humanity First USA is the Community Host Group for this collaborative clinic that will provide free medical, dental, and vision services to individuals and families in need. This clinic will utilize an estimated 150–200 volunteers to treat hundreds of patients over the weekend.

Why This Clinic Matters

Many individuals delay or go without care due to financial barriers, lack of insurance, or limited local access. This clinic is designed to meet that need by providing essential services in one place at no cost to patients. Remote Area Medical (RAM®) is a respected nonprofit whose mission is to prevent pain and alleviate suffering by providing free healthcare to those without access. Since 1985, RAM® has mobilized more than 230,000 volunteers to deliver medical care to over 1,000,000 individuals, providing over $230 million in free services.

How Your Sponsorship Helps

Hosting a clinic of this size requires significant local support. Sponsorship support will help cover essential needs including clinic setup, supplies, volunteer support and operational costs.

Community Impact & Visibility

This clinic will support residents across Chantilly and Fairfax County who face barriers to affordable healthcare. Sponsors receive meaningful recognition by aligning with a mission-driven initiative that brings free medical, dental, and vision services directly to the community.

How to Partner

We are seeking cash and/or in-kind sponsorship support to help make this clinic successful. Sponsorship levels may include options such as Premier, Elite, and Distinguished, with all contributions being tax-deductible.

Your generosity will help hundreds of Fairfax County residents in need receive free healthcare and live happier, more productive lives. Thank you for your time and consideration.
